Euro Working Group for Financial Modeling

Paris Award

The Board of the Euro Working Group for Financial Modeling has decided to institute an award in Francesco Paris' memory.

The annual award will be given to a young scholar -PhD students or young researcher- for the best paper/contribution presented during the meetings of EWGCFM in the application of OR modeling to Financial markets.
The 'Francesco Paris Award' will keep alive the memory of Francesco Paris and his contribution to the research in Financial modeling and very active presence in the EWGFM.

The award will be granted annually in occasion of one of the EWGCFM meetings.
An Award Committee with a three years charge, will be entitled to evaluate and select the best contribution.
The first award was attributed in occasion of the 46° EWGCFM meeting held in Istanbul on May 2010 and the €500 Award was posted by the Quantitative Methods Department, University of Brescia (Italy), where Francesco Paris spent his too short academic life.

For the following editions of the Award the €500 prize will be collected by the local organizers of the meetings.

The III Award will be assigned during the 51° meeting which will be held in London, at the ESCP Europe London Campus in May 2013.
Scholars are strongly invited to submit their recent research papers.
